Message from President

Prof. (Dr.) Satyajit Chakrabarti
President, IEM, KOLKATA

Knowledge is an empowerment. It teaches life to take the right path, accept challenges and make the right decision in every field. We, at IEM, seek to bestow the right education to every student to help them excel in all the spheres of a competitive world.

With a quest to achieve a 360 degree growth in areas of multi-disciplinary knowledge, IEM has set its bold footsteps towards earning the status of being the best. Accreditation for excellence in Academics, infrastructure and multi-dimensional areas is our motto and resolution. To us, success is a journey ... not a destination.

Message from Director

Prof. (Dr.) Satyajit Chakrabarti
Director, IEM, KOLKATA

Education is the most powerful weapon with which you can change the world. This inspired us to establish IEM for shaping young minds through technical and managerial excellence. IEM was founded in 1989 and since then it has grown to become one of the best in the country producing jewels in various fields. Our extended ventures in Jaipur and Rajarhat are doing equally well. It is often wrongly believed that the students here being so technically sound, lack innovation. We at our institute have always focused on an all-round development and I am proud to say that this magazine has proved to be a fine example of the creativity of our students, be it poetry, painting, photography, dance or music. I wish all the readers the very best and hope they keep the institute flag high.

Welcome

INSTITUTE OF ENGINEERING & MANAGEMENT Alumni Association, (popularly known as "I AM IEM"), is a registered body under societies act and a non-profitable organization. In USA the organization is registered as IEM Foundation, a non-profitable organization and is headquartered in Washington to look after alumni welfare globally.

As an IEM graduate, you are automatically a member!

The "I AM IEM" serves as a voice for alumni and to enhance the alumni experience by:

- Facilitating engagement among fellow graduates, current students, and the institute by providing ongoing opportunities for involvement.
- Promoting alumni achievements, concerns, and aspirations.
- Building a culture of philanthropy to support current and future generations of IEM students and alumni.

About

"I AM IEM"

The "I AM IEM" provides its members with many ways to network, volunteer, and socialize with IEM alumni and students. Alumni are encouraged to become more involved in the IEM community.

Engage with current students in their academic and professional development by participating on panels, volunteering for our various networking events and conferences.

As an alumni, you will have the opportunity to mentor our ongoing students through networking and mock interviews. This new program is in conjunction to provide students hands on experience from those in the industry.

IEM Alumni have the opportunity to continue their involvement with their classmates and colleagues past graduation. One way of doing that is by joining our facebook official alumni group (https://www.facebook.com/groups/120295321443207/). These group allows alumni to stay connected over common goals and interests.

For more information please contact the Alumni Relations Head, Dr. Sanghamitra Poddar at sanghamitra@iemcal.com

About

Institute of Engineering & Management

Institute of Engineering & Management (IEM) began its journey in 1989 with management studies. Engineering courses were later introduced at IIT Kharagpur campus in 1996. Engineering courses at IIT Kharagpur was initiated with the condition given by Prof. K.L. Chopra, the then-Director of IIT Kharagpur, that the same level of discipline and academic standards as IIT Kharagpur has to be maintained. The first principal of IEM was Prof.A.K.De, the Former Director of IIT Bombay. The first Chairman of the Governing Body of IEM was Dr.F.C.Kohli, Deputy Chairman of Tata Consultancy Services. Dr.F.C.Kohli remained the Chairman of IEM till he expired in 2020. Mr.T.C.Dutt, IAS, Former Chief Secretary to the Government of West Bengal acted as the mentor of IEM.

IEM since its inception 33 years ago, has surpassed innumerable benchmarks of achievements and accreditations. Being a NAAC A grade institute all the eligible departments are NBA accredited. Over the years IEM has received several accolades like Times Knowledge Icon, ET Industry Leaders, Education Excellence Awards to name a few.IEM flaunts a colossal network of expansive operations led by awe-inspiring student force who are the torchbearers of a better tomorrow, with many alumni members earning more than Rs 2 Crores salary per year in various MNCs.

Till date, the IEM-UEM group is dedicated in upholding that foundation, which now has resulted in our students receiving outstanding employment opportunities after graduating from engineering and management courses.

Amid this pandemic, apart from regular online classes and exams, placement classes, webinars, industry and foreign certification courses, hackathons, mentoring, placements and admissions are going on with full rigor. Our students are placed in various reputed MNCs like GE, HSBC, Google, Facebook, AMAZON, etc.

Along with placements, IEM-UEM Group truly excels in startups with more than 500 startups by students, in innovation - with more than 500 patents and publications by students, in industry and foreign collaboration with industry lectures, industry visits and foreign lectures daily. IEM-UEM Group is one of the very few in India which gives the opportunity of Study Abroad Programme in USA, Canada, Australia, France, Singapore and the UK along with the opportunity to do more than 4000 foreign certifications from Universities like Harvard, Stanford, MIT, UC Berkeley, London Business School etc. Focusing on the overall growth of the students the group organises various sports, cultural, coding events and international conferences. The group is associated with numerous social welfare programs around the year to encourage the students to look beyond the academic curriculum.

Some of our Distinguished Alumni

36		Ananya Palit	CSE, 2015	Member of Technical Staff at Oracle
37		Chittabrata Ghosh		Principal Engineer at Intel Corporation

What

"I AM IEM" Does?

- Organizes mock interview for ongoing students by our industry expert alumnus to give the students a flavour and experience about latest question trends in industry
- Organizes webinars for our ongoing students by our successful alumnus to motivate the students and give them encouragement to dream for higher goals in their career.
- To provide financial and medical assistance to our alumnus for those in time of need. For example, "I AM IEM" arranged free Covishield vaccination for our alumnus.
- To provide internships for our ongoing students.
- To create a network among alumni who are seeking for new job and alumni who are searching for recruitment.
- We publish alumni magazine annually known as "MEMORIES@IEM" where we give success stories of our alumni.
- We encourage our alumni by giving them award in two categories:
    1. Young Alumnus Award
    2. Alumni Award of Distinction
- Every year we organize alumni meet named "Homecoming" at three different venues in different time.
    1. Kolkata in December
    2. Bangalore in February
    3. USA in October
